

Stillwater Native American Parent Advisory Committee Family Event

**Sunday, May 5, 2019
2:00 to 4:30 pm**

End of Year Celebration and Feast!

**Co-sponsored by
Sally Manzara Interpretive Nature Center
Sunfish Lake Park, Lake Elmo, MN**

Directions to the park: Take Stillwater Boulevard N. (Highway 5) to Stillwater Lane North.

This always popular event is our annual celebration of authentic cultural teaching and learning about Native American people. Throughout the 2018-2019 school year we have reached thousands of students, parents, teachers, and Stillwater Area community members through public events and classroom teaching. In addition to a short honor ceremony for students and volunteers, we will be constructing our 20-foot tipi, sponsoring cultural demonstrations and sharing a cold lunch with all attendees.

Join us at this jointly-sponsored event at the Sally Manzara Interpretive Nature Center to enjoy the Spring weather and celebrate the success of our students and Native American education program in Stillwater Area Public Schools! And enjoy a nature walk in Sunfish Lake Park while you are there. Refreshments and family-friendly activities!

THIS FAMILY EVENT IS FREE AND OPEN TO THE PUBLIC
